FOR
PERSONS WITH DISABILITIES
AND
PERSONS WITH LIMITED ENGLISH PROFICIENCY**

Mental Health America of the Palm Beaches shall ensure compliance by their agency staff and subcontractors with the requirements of Title VI of the Civil Rights Act of 1990, as amended, Title II of the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 and Limited English Proficiency (LEP). Authority: 45 CFR, Part 80, and Florida CFOP 60-16.

Single Point of Contact – SPOC

The Single Point of Contact (SPOC) for MHA is:

DARLY ADAMS, (561) 832-3755, dadams@mhapalmbeaches.org

The back-up SPOC for MHA is:

KRISTINA BAKER, (561) 832-3755, kbaker@mhapalmbeaches.org

The SPOC will ensure effective communication with deaf or hard-of-hearing consumers and companions, as well as consumers with limited English proficiency. MHA will ensure that their employees are aware of the requirements, roles, responsibilities, and receive the required training upon hire. MHA will ensure a yearly refresher training on serving deaf or hard-of-hearing consumers and a civil rights training.

The SPOC will ensure that their auxiliary aids and services plan and auxiliary aids monitoring plan is updated as needed, with any updates communicated to the network management department. This plan can be made available in alternative formats upon request.

This plan is also available on our website: mhapalmbeaches.org

MHA Staff at any time during the process of assessing and providing for auxiliary aids/services can request the assistance of the MHA SPOC or backup SPOC at 561-832-3755.

Assessing for Communication Needs

At the initial point of contact, the MHA SPOC or SPOC backup will be notified immediately. An assessment of communication needs will be conducted for all individuals or companions who are deaf or hard-of-hearing using the required Florida Department of Children and Families documents.

The required documents will be completed at each interaction/service to the client or companion. The purpose of these tools is to facilitate the collection and coordination of auxiliary aids and services to meet the needs of Consumers or Companions who are deaf or hard-of-hearing.

MHA will at all times recognize that the Consumer or Companion's preference is the primary consideration in determining what auxiliary aids or services to provide. If communication through a specific aid or service is deemed to be ineffective, the MHA SPOC will assist the consumer or companion in determining a more effective aid or service for communication. Documentation shall be made in the consumer's file regarding the attempt to improve the effectiveness of auxiliary aids and services. Once the assessment is completed, the SPOC or assigned agency staff shall obtain auxiliary aids according to the communication and request for services assessment.

Provision of Interpreters/Services

At no time is it acceptable for staff to deny services to a Consumer without notifying the SPOC. If staff, based on the Communication Assessment results find that auxiliary aids or services are not essential, staff are to contact the SPOC. Additionally, if staff are unsure of how to proceed they are to immediately contact the MHA SPOC at 561-832-3755.

MHA staff shall provide certified interpreters for Consumers and Companions who are deaf or hard-of-hearing in a timely manner in accordance with the following standards:

For unscheduled emergency appointments, staff shall make an interpreter available as soon as possible, but in no case later than two (2) hours from the time the customer or companion or staff requests an interpreter, whichever is earlier. If the situation is not an emergency, staff shall offer to schedule an appointment and provide an interpreter for effective communication at the convenience of the Consumer or Companion, or at least by the next business day.

For scheduled events, staff shall make a qualified interpreter available at the time of the scheduled appointment. If an interpreter fails to appear for the scheduled appointment, staff shall take whatever additional actions are necessary to make a qualified interpreter available to the Consumer or Companion who is deaf or hard-of-hearing as soon as possible, but in no case later than two (2) hours after the scheduled appointment. The MHA SPOC shall be notified immediately, in the event a scheduled interpreter fails to appear.

At the time of service, verification of the interpreter's certification should be obtained.

Auxiliary Aids Documentation

MHA staff shall document the Consumer or Companion's preferred method of communication and any requested services provided in the Consumer's record. Documents and forms evidencing when and how the staff provided aids and services to Consumers or Companions shall be retained in the Consumer's record for seven years. Forms included but are not limited:

- Consumer or Companion Assessment and Assessment Aid and Service Record
- Consumer or Companion Request for Free Communication Assistance or Waiver
- Consumer or Companion Feedback Form
- Consumer Plan (for providing auxiliary aids or services on an ongoing/continuous basis)

Documentation will be kept for record keeping with the SPOC, and in the Consumer's record.

Referrals

If Consumers or Companions are referred to other agencies, the attending staff and/or SPOC must ensure that the receiving agency is notified of the Consumer or Companion's preferred method of communication and any auxiliary aid for service needs. In order to accommodate this effectively, the attending staff and/or SPOC will ensure that the referral is approved by the participant and that he or she signs a Release of Information for each referral being made. These actions will be recorded and maintained in the Consumer's record.

FL DCF Customer Feedback Form

The attending staff shall distribute the required Florida DCF Consumer/Companion Feedback form to Consumers or Companions that are deaf or hard- of- hearing and provide assistance in completing the forms if requested by the Consumer or Companion. Consumers and Companions shall be instructed to mail the original feedback form to DCF, Office of Civil Rights, 1317 Winewood Boulevard, Building 1, Room 110, Tallahassee, FL 32399-0700, or if requested by the Consumer or Companion; by the SEFBHN SPOC. A copy of the Consumer/Companion Feedback Form shall not be kept in the Consumer record/file.

Limited English Proficiency Consumers

Southeast Florida Behavioral Health Network (SEFBHN) will provide foreign language interpretation for any Consumer who requests such assistance. MHA also has an account with LanguageLine.com <http://www.languageline.com/solutions/interpretation/> for foreign language interpretation. MHA also utilizes Global Translations and Interpretations of West Palm Beach for interpreters of foreign languages: 800-352-0717, 561-641-3973 and Deaf Services Unlimited: 515-243-4455.

Documentation/Record Retention

Records relating to auxiliary aids and services provided shall be retained by the MHA SPOC for at least 7 years.

Signage

The SPOC will ensure that conspicuous notices which provide information about the availability of appropriate auxiliary aids and services at no-cost to the deaf or hard-of-hearing Consumers or Companions are posted near Consumer/Companion entrances, and locations where Consumers and Companions receive services. The MHA SPOC's name and contact information will be available on the Deaf and Hard of Hearing Poster as well the name and contact information for the FL DCF Regional Civil Rights Officer/ ADA 504 Coordinator.

Approved Notices can be downloaded from The Department's website.

LANGUAGE LINE SERVICES

Language Line, Inc. provides interpreter services to clients with Limited English Proficiency (LEP) as mandated by federal and state civil rights regulations.

There is a fee for services provided through Language Line, Inc. Each program will be charged for their use of the telephone interpreter services. Telephone interpreter services can be accessed 24 hours a day by following these instructions (unless alternative contracts are in place) when placing a call to a non-English speaker, begin at step 2:

When receiving a call:

1. Place the non-English speaker on hold.
2. **Dial: 866-874-3972**
3. This is an automated answering system. Please have your 6-digit client ID available as well as the language needed, and your name.
4. Once an interpreter has been added to your call, provide your information in three to four sentences in a logical order so the interpreter can retain the information and interpret it accurately to your LEP client.
5. Please inform the interpreter if you are using a hand held phone, versus a speakerphone, so they will allow time for the phone to be passed back and forth, before relaying the information.
